To Whom It May Concern:

It has been my pleasure to work with Mr. Greg Broniak and his Avon fundraising business this past school year. As a first year advisor to the Goodrich High School yearbook, I was very excited when Mr. Broniak came through with his fundraising ideas. From the very first phone call to the delivery of the materials, his professionalism and attention to detail was very much appreciated. In addition to ensuring the most beneficial and easy interactions, Mr. Broniak was always very courteous and made sure that everything was done in an extremely timely fashion.

Considering that there are businesses looking to scam non-profit groups such as mine, it was nice knowing that I could trust Mr. Broniak and his integrity when dealing with such matters. I would highly recommend his business to anyone looking for great alternative ideas to fundraising with very little hassle and huge outcomes thanks to Mr. Broniak's professionalism and dedication to his customers. If you have any further questions regarding Mr. Broniak's business, please feel free to contact me through email or by phone.
